

Access Indiana Information Network

Electronic On-line Service Authorization and Rate Request

Date Proposed: January 19, 1999
Request Number: 1999-1
Rate Period: Indefinite

Summary:

Consistent with the Indiana statutes governing access to public records, the Indiana Intelenet Commission, the State of Indiana Broad Agency Announcement 95-39, the Network Manager Proposal of Indian@ Interactive, Inc., and the contract dated August 17, 1995, with any amendments thereto, between the Indiana Intelenet Commission and Indian@ Interactive, Inc.; Indian@ Interactive, Inc. being so authorized as Network Manager for the Access Indiana Information Network (AIIN) does request and recommend that the Enhanced Data Access Review Committee of the Indiana Intelenet Commission (EDARC), by and through its authorized officer or agent, approve and authorize the Network Manager to create, implement and offer to the public the AIIN services proposed in this document. In addition, the Network Manager also requests and recommends that EDARC approve the interactive on-line electronic per record search fees per service offered as detailed in this document. Such funds collected for AIIN services by the Network Manager will be used in accordance with the contract mentioned above. It is understood by all parties that the rates requested in this document per service are the maximum allowed and will be published in the AIIN fee schedule and Service Agreements. The Network Manager reserves the right at its own expense to offer any and all AIIN services at any rate less than the maximum amount approved in this and any future rate requests.

Service Request 62: Electronic Retrieval of Water Well Records

In accordance with the authorities cited above, the Network Manager requests and recommends that **Electronic Retrieval of Water Well Records** for IDNR - Div. Of Water, Ground Water Section be made available by the Network at an additional charge. AIIN will provide a process by which AIIN subscribers may search the water well record database and download the results onto their personal computers. Upon electronic acknowledgment by AIIN to both IDNR and the subscriber, AIIN will be responsible for collecting all appropriate fees for the download of a file. The AIIN service fee will be five cents per downloaded record. Revenue from this service will be used for the general operation and development of the Network.
